++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy Monday with outbreaks of rain. Breezy but very mild.

This Evening and Tonight:
A dry evening with some long clear spells and winds becoming light. However increasing cloud overnight brings outbreaks of light rain to the west by dawn with freshening southerly winds. Minimum temperature 2 deg C (36 deg F).

Monday:
A mostly cloudy day with outbreaks of rain spreading east, the rain most persistent and occasionally heavy during the afternoon, especially across Argyll. Very mild with occasionally fresh southwesterly winds. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Bright and breezy with a few showers on Tuesday and Wednesday. Most likely dry with lighter winds much of Thursday, but rain possible later.
